

Job Description

Job Title: Roofer II
Position Code: 5N30, EN30
Job Classification: Non-Exempt

Supervisor: Sheet Metal/Roofer Crew Leader
Pay Grade: 28
Contract Length: 245 Days

Job Summary

Position is responsible for various types of roof repair and maintenance.

Essential Duties

1. Repairs several different types of roofs throughout the school system, including built-up, modified, bitumen, metal and shingle roofs.
2. Makes decisions on own initiative regarding the best procedure for making roof repairs.
3. Cuts out and repairs roof blisters, buckles, wrinkles, fish mounts and otherwise deteriorated roof areas.
4. Seeks out and repairs roof leaks after finding sources of penetration.
5. Inspects roof areas and repairs potential problem areas before a real problem occurs.
6. Insures that roof drains are not stopped up and are free flowing.
7. Repairs fascia, flashing, coping, roof expansion joints and roof ventilators.
8. Utilizes computers to document materials and labor cost.
9. Reconciles P-Card transactions.
10. Models nondiscriminatory practices in all activities.

(These are intended only as illustrations of the various types of work performed. The omission of specific duties does not exclude them from the position if the work is similar, related, or a logical assignment to the position.)

Other Duties

1. Performs any other related duties as assigned by the Sheet Metal/Roofer Crew Leader, or appropriate administrator.

Job Specifications

To perform this job successfully, an individual must be able to perform each essential duty satisfactorily. The requirements listed below are representative of the knowledge, skill and/or ability required. Reasonable accommodation may be made to enable individuals with disabilities, who are otherwise qualified, to perform the essential functions.

Minimum Qualifications (Knowledge, Skills and/or Abilities Required)

Completion of standard high school or GED. Thorough knowledge of the standard practices, tools, and terminology of the sheet metal/roofing trade. Considerable journeyman roofing experience with ability to resolve roofing problems without assistance. Sufficient agility to climb ladders and work in confined spaces above and below ground. Skill in the performance of the roofing trade.

Working Conditions and Physical Requirements

The physical demands described here are representative of those that must be met by an employee to successfully perform the essential functions of this job. Reasonable accommodation may be made to enable individuals with disabilities to perform essential functions. Demonstrates ability to climb ladders and work in confined spaces above and below ground. Must have the ability to stand for extended periods of time; exhibit manual dexterity to operate equipment; see and read printed material with or without vision aids; hear and understand speech at normal levels; speak in audible tones so that others may understand clearly in person and on the telephone; ability to understand and follow oral and written instructions; physical agility to lift 50 pounds; to bend, stoop and reach overhead.

Work Environment

The work environment characteristics described here are representative of those an employee encounters while performing the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions. Duties are normally performed outside. The noise level in the work environment is sometimes loud but usually moderate.

Supervision Exercised: Roofer I
